SUBJECT: EPA Proposed Interim Guidance on Transuranics in the Environment

TO: J. A. Morley, Area Manager, DAO
H. E. Valencia, Area Manager, LAAO
A. E. Whiteman, Area Manager, RFAO

Attached is the referenced guidance document. Please provide comments directly to Carly Welty, DOE Headquarters, EH-231, with a copy to this office by September 4, 1987, if possible. Due to the extremely short response time, copies of this document have been sent by express mail directly to the individuals in your contractor organizations listed below. If there are any questions, please call Connie Soden at FTS 846-1106.
